

CONSIDERING TO MAKE A CAREER IN PUBLIC HEALTH? – JOIN THE CHD GROUP INSTITUTION THIS YEAR

Posted on November 23, 2020 by CHD Group

Category: [Opinion](#)

CHD Group is pleased to inform you that the **Edward & Cynthia Institute of Public Health (ECIPH)** - A CHD Group Institution has taken off and the first batch for a Masters in Public Health (MPH) programme is expected to begin this academic year around July 2021 at Mangalore City, Karnataka, India. We encourage you to keep visiting www.chdgroup.org for more details or also follow our [Linkedin](#) or [Facebook Page](#).

Why you must pursue your MPH Programme with CHD Group in Mangalore?

1. International Faculty & International Observership across Asia, Africa, US & Europe.
2. Direct field exposure on all CHD Group field implementation programme for your internship needs & research requirements.
3. First hand public health leadership and entrepreneurial lessons with [Dr. Edmond Fernandes](#) & other public health stalwarts.
4. Benefit from the CHD networks around the world and interact with Government officials, departments and policy makers across the Asia and the Pacific.
5. Translate classroom lessons into practical public health.
6. Robust placement network across India and parts of the world.
7. At ECIPH we commit towards 70% practical learning and 30% theory which is required to build

you as a skilled, proficient public health professional.

Wish to enroll and fill your preliminary details before we formally call for applications? Write to us today on headquarters@www.chdgroup.org or indiaoffice.chd@gmail.com

You can also call us on +91-824-4116824 between 10.30 am to 5pm.
